OVERVIEW:

Northern lights, also called Aurora Borealis, is an exquisite display of coloured lights dancing across the night sky. During this 9-day adventure filled trip to Scandinavia, we will chase this mystical and rare phenomenon. The tour has been crafted in such a manner to maximise the chances of seeing this rare event.

We will begin our trip with the visit to the capital of Finland, Helsinki which is famous across the world for its architecture. During the sightseeing tour, we will visit the Temppeliaukio Church, which has been directly cut out from a rock and is famous for its amazing acoustics. We will also see the Sibelius monument. It consists of a huge structure arranged in the shape of a sound wave made up of 600 steel pipes. After Helsinki tour, we will turn north towards the hometown of Santa Claus, Rovaniemi.

Our hunt for the Northern lights begins here. After a brief one-day introduction of Rovaniemi and a visit to the Arktikum museum, we will visit the Santa Claus village. Here you can meet with Santa and send letters to your friends and family sealed by elves. Next, visit the world's oldest ice hotel which is built from scratch every year. From here, we will proceed to a small village in Sweden called Abisko which offers the best chances of viewing the Northern lights in the world. Rich in arctic flora and fauna, you can also explore the national park here on a snowmobile. We will be staying in Abisko for 2 days to maximize our chances of viewing the ethereal Northern lights phenomenon.

After Abisko, we will move even further north to the cultural hub of northern Norway, Tromso. Here you will get a sneak into the Sami culture and also meet reindeers at their reindeer farms. Tromso is also counted among the most popular places for catching sight of the northern lights. Our next stop is Oslo, the capital of Norway. Oslo is the green city of Europe and agglomeration of great culinary experiences, exciting nightlife, and unique cultural heritage. Here we will learn about Viking culture at a Viking ship museum and also visit, Vigeland park, the world's largest sculpture park.

DAY 02: HELSINKI CITY TOUR AND TRANSFER TO ROVANIEMI BY FLIGHT

After breakfast in hotel, proceed for a Helsinki City tour:-

We will begin the tour with visit to **Tempeliaukio Church**. Also known as the Rock Church, it is built directly into a solid rock and was opened in 1969. Owing to the excellent acoustics inside the church, it is a popular venue for concerts in Helsinki. Next on the list we have **Sibelius Monument**. Dedicated to the famous Finnish composer, Jean Sibelius, it consists of over 600 steel pipes which are grouped together to resemble a soundwave made of clusters of organ pipes.

In the evening, proceed to the airport to catch a flight to Rovaniemi – the official home town of Santa Claus! Upon arrival, transfer to the hotel followed by check-in.

Rovaniemi is the administrative capital of the Finland's Northern most province – Lapland. It is also known as the official home town of the Santa Claus. The city was completely destroyed during the World War II. But it was rebuilt to a plan by Alvar Aalto, with the major streets in the shape of a reindeer's head and antlers! Apart from the stunning Santa Claus village, the city boasts of witnessing the magical northern lights and riverside location.

Overnight stay at the hotel in Rovaniemi.
